## Configuration of the DEVICE alert management within the company

### Disclaimer - Internal Management - Requirements:

The respondent(s) chosen by the company to receive SOS calls must deactivate their voicemail and must be ready to answer at all times. If the respondent(s) does not deactivate the voicemail, the alert enters a voicemail and remains on the line, the time per minute will be charged. Your plan includes 30 min of voice per month, per unit. If the respondent does not respond, Laxson Solutions cannot be held responsible. **I have read these conditions:** initials \_\_\_\_\_

### Check the supervisions you wish to receive:

Alerts to supervise:      SOS Alerts      Fall Alerts      Low battery alert      Geofence Zones Alerts

**1) Action for SOS Call & alerts:** *Note for SOS CALL, only a person that is available to received calls 24hrs must be added. if not, we recommend using the call center option in this case.*

SOS Call & alert to responsible persons, cell phone # for calls , mobile and email alerts: Max 3 contacts can be added. (Plan 20 min/device /month)

#1)Name \_\_\_\_\_ Tel: \_\_\_\_\_ Email: \_\_\_\_\_

#2)Name \_\_\_\_\_ Tel: \_\_\_\_\_ Email: \_\_\_\_\_

#3)Name \_\_\_\_\_ Tel: \_\_\_\_\_ Email: \_\_\_\_\_

**2) Action for Fall alerts:** *Note for FALL ALERT CALL, only a person that is available to received calls 24hrs must be added. if not, we recommend using the call center option in this case.*
